## **GAFNEY LIBRARY, INC.**

As of July 1, 1979 Mr. Alden N. Young resigned after 25 years of unselfish devotion as Treasurer on the Board of Directors. He will remain as Trustee and Vice President. Mrs. Ruth Fogelin was elected Treasurer at that time.

Under a Federal Grant, our library together with 6 other area Libraries, are to share \$8,500 to be used for Audio-visual material, such as sound filmstrip projectors, cassette players for each and 1 sound projector to be shared. Because of this, we have started a building fund to remodel the basement and have a children's room to use our A-V material. The fund was started last summer with 2 very successful food sales.

434 new books were added to our collection in 1979. The Bookmobile left 1804 books on loan in 3 visits.

Library hours are: Tues. 1:00 to 7:00, Thurs. 1:00 to 5:00 and Sat. 11:00 to 4:00.

### Annual Report 1979

The Trustees of the Union Library are in the process of changing the word **Free** to **Village**, thus naming our Library the Union Village Library. This seems more appropriate, as in September of the past year, we became affiliated with the Gafney and Wakefield Libraries.

The Chairman of the Board of Trustees, Mrs. Jeffrey Sewell, moved in August, and Mrs. Glendon Nason was elected Chairman in her place. The Trustees now are Mrs. Glendon Nason, Mrs. William Wentworth, Mrs. John Pratt, and Miss Eleanor Eastman, also Treasurer.

We have added 231 volumes to our Library this year. 195 were purchased and 36 donated, plus a 16 volume set of Encyclopedia, "The Art of Sewing", which was donated by Mrs. Betty Wisdon from New Orleans.

We are grateful to the Gafney Library and many other interested friends for their donations of books, magazines and money.

We had a continuous used book sale for the summer months at Grandma's Attic.

Grades four and five from the Union School come to the Library twice a month to select their own books. They often bring art posters for display which the patrons enjoy.

We received two Memorial books this year. "The Road Through Sandwich Notch" was given in memory of Payson Littlefield, and "The Littlest Angel" was given in memory of baby Stephen Sceggell.

The Bookmobile visited us three times leaving a total of 976 books. Our circulation for the year was 3,985.

We are open Monday 7-9 p. m. and Wednesday 2-5 and 7-9 p. m. During the school year, we will also be open Monday 2-3 for the convenience of the children.

## WAKEFIELD LIBRARY ASSOCIATION

During the past year the fence surrounding the library was rebuilt by Mr. Richard Swinerton with the help of Alden Young and Beatrice Tibbetts. It is beautifully done and is sturdy enough to last for many years to come. A vote of thanks is surely due to these people who gave so generously of their time and talents.

We have acquired books on the countries of the world and on World War II which are helpful to the researchers. Also our old books on New Hampshire history and families are excellent sources of information.

Gifts were received during 1979 from Mrs. Jeannie Oxandaburu, Effingham; Gafney Library; Mr. and Mrs. Herbert Swannstrom; Mrs. Ralph Cox; Mrs. Raymond Cook; and Mrs. Jane Grotfend.

A thank you to our patrons for your continuing interest in our beautiful library and a Happy 1980 to all.

### **WAKEFIELD AREA AMBULANCE CORPS**

The Wakefield Area Ambulance Corps successfully completed 150 calls in 1979. As with all organizations there have been many changes in the Ambulance Corps. January 1, 1979 there were 6 (six) active members of the corps and as of December 31, 1979 this number increased to 13 (thirteen) active members with 4 (four) back-up members available during severe emergencies. We now work with a first responder program — meaning who lives nearest the person requesting ambulance assistance will go straight to the scene and administer emergency medical care and 2 (two) other members will follow with the ambulance. All of the ambulance members are licensed through the State of New Hampshire either as ambulance attendants or as licensed nurses or E. M. T.'s There have been 3 C. P. R. courses offered by the ambulance corps this past year, our monthly blood pressure clinic held at the Town Hall in Sanbornville on the first Wednesday of the month, and the Vials of Life program. To assist the corps members in maintaining the most up-to-date procedures we hold 2 (two) training sessions a month in addition to our regular monthly meetings. As of June 1, 1979 the corps members chose to cease receiving compensation for their services therefore allowing the Selectmen to reduce the charge for the ambulance from \$50.00 to \$35.00. The statistics of the past year are found on another page in this report book.

I would like to thank all corps members and the Wakefield Police Department and Police Chief Charles Ruff II for their assistance throughout 1979.

Respectfully submitted,

## REPORT OF COMMITTEE TO INVESTIGATE ENLARGING THE TOWN DUMP

The Committee, consisting of H. I. Mackinney, W. L. Giffin, and W. N. Sparhawk, Jr., met with Mr. Fred Randall at his home on September 17, 1979.

The focal point of the discussion was that parcel of land as designated on the Town Tax Map No. 27, Lot 54, being owned by Mr. Randall. Said parcel consists of 29 acres, more or less, and has an assessed value of \$8,340.00 for tax purposes.

The Committee asked Mr. Randall if he would be willing to sell said parcel, or any portion thereof, and if so at what price. He is not interested in selling any portion of the land, either now or in the foreseeable future, but did offer an alternative suggestion, as follows:

In another town to the north of us, the land owner of a suitable dump site leased to the town, on a long term basis, the site in question. The Lessor, as part of the contract, also ran the dump and maintained it in conformance with regulations prescribed by the Board of Selectmen of that town.

Since State mandated regulations, together with an increased usage of our existing dump site, are quickly exhausting the capacity of said site, it is imperative that steps be taken in the near future to insure a continuing place for refuse disposal. Therefore one of the following three options should be considered.

1. Offer Mr. Randall fair market price for his land — a proposal he is not receptive to at this time.
2. Initiate eminent domain proceedings against the land in question — usually a long and costly proceeding.
3. Work out a lease-operating arrangement with Mr. Randall.

Whereas the third option seems the most desirable to this Committee, it recommends that the Selectmen, or a committee appointed by them, draw up a tentative lease-operating arrangement with Mr. Randall and report back to the 1981 Town Meeting, with the necessary appropriation to execute same.

W. L. GIFFIN

## REPORT OF FOREST FIRE WARDEN AND STATE FOREST FIRE SERVICE

Prevention and control of forest fires is handled through a cooperative effort between town/city fire organizations and the State Forest Fire Service.

Since 1903, when the first forest fire laws were passed by our Legislature, the State Forester has appointed someone in each municipality as a Forest Fire Warden and charged him with the responsibility of forest fire prevention and control within his town/city. This person may ask the State Forester to appoint as many Deputy Forest Fire Wardens as may be necessary to efficiently carry out his charge.

The State Forester has divided the State into ten forest fire districts with a full time District Forest Fire Chief in each district. The State organization is charged with assisting the municipal forest fire organization in any way possible.

State personnel conduct fire training schools, assist with forest fire suppression, fire cause investigation, prosecution of fire law violators and forest fire prevention programs. Forest fire suppression equipment is purchased through State bulk purchasing ability and sold to local forest fire organizations at one-half cost. Excess military property is obtained and turned over to town/city fire departments at no cost to local departments for conversion into fire suppression units. This cooperative arrangement between State and municipality has resulted in one of the best forest fire records in the United States with less than one-half acre of woodland burned in each fire reported.
